

MURDOCK

BUILDERS MERCHANTS

Murdock Builders Merchants is a family-owned business with 18 locations across Northern Ireland and the Greater Dublin region. With over 400 employees we are recognised as a leading Company in our industry and supply general and specialist building materials, timber, and hardware to the construction trade, the DIY sector and the general public. We value both our customers and our employees, and our business is built on offering consistently excellent customer service by well-trained and knowledgeable staff. We have also acquired Brooks Timber and Building Supplies in South of Ireland who have 10 branches located throughout Southern Ireland. Currently we are recruiting a Roof Truss Designer for our Trusses Department in Greenbank Industrial Estate, Newry.

Roof Truss Designer

Greenbank Industrial Estate, Newry, Co. Down

Design the Structures That Build Homes

Are you an experienced Roof Truss Designer looking for your next challenge? Do you enjoy transforming architectural drawings into practical, innovative timber solutions?

At Murdock Builders Merchants, we're looking for a talented and motivated Roof Truss Designer to join our growing Design Team in Newry. This is an opportunity to play a key role in delivering high-quality engineered timber solutions for some of the region's leading housebuilders while working within a supportive and collaborative team environment.

If you're passionate about design, enjoy problem-solving, and take pride in delivering accurate, customer-focused solutions, we'd love to hear from you.

Job Role:

As a Roof Truss Designer, you will be at the heart of the design process, working closely with customers, architects, and production teams to bring projects from concept to reality.

Your responsibilities will include:

- Interpreting architectural drawings and specifications for manufacture
- Designing roof trusses and engineered timber solutions using specialist design software
- Preparing quotations and providing commercially viable design solutions
- Advising customers on the most effective structural solutions for their projects
- Collaborating with production teams to ensure designs are delivered accurately and efficiently
- Managing multiple projects while maintaining exceptional levels of quality and attention to detail

What We're Looking For

Key Criteria:

- Proven experience designing roof trusses and engineered timber products
- Experience using specialist roof truss design software
- CAD experience
- Strong numerical and analytical skills
- Excellent attention to detail
- Strong communication and customer service skills
- Good project management and organisational abilities
- The ability to work effectively under pressure and to deadlines

Most importantly, we're looking for someone who is enthusiastic, proactive, team-oriented, and committed to delivering outstanding results.

Why Join Murdock Builders Merchants?

At Murdock's, our people are at the centre of everything we do. We recognise that great designs come from great teamwork, and every member of our team plays an important role in our success.

Benefits:

- ✓ Competitive salary based on experience
- ✓ Company pension scheme
- ✓ Westfield Healthcare Cashback Plan (after successful completion of 6 month's probationary period)
- ✓ Full-time permanent position with stable working hours
- ✓ Staff discount scheme
- ✓ Long Service Leave
- ✓ Long Service Recognition Awards
- ✓ A supportive and collaborative working environment
- ✓ Opportunities to develop your skills and build a long-term career
